Our farm has been in the Johnston family for more than 100 years. The farm is about 900 acres and runs 100 beef cows and 1200 Ewes and 350 replacement Ewe hoggets.

The farms were fenced for there natrul water and it would huge cost to fence the water ways and put water troughs in the step hill country.

Our views are that the water should be tested and only main rivers fenced and stock numbers should be at the farmes discreation.

PLEASE CHECK that you have provided all of the information requested and if you are having trouble filling out this form, phone Waikato Regional Council on 0800 800 401 for help.
