THE SPECIFIC PROVISIONS OF PROPOSED PLAN CHANGE 1 THAT MY SUBMISSION RELATES TO

Please state the provision, map or page number e.g. Objective 4 or Rule 3.11.5.1 (Continue on separate sheet(s) if necessary).

I SUPPORT OR OPPOSE THE ABOVE PROVISION/S

(Select as appropriate and continue on separate sheet(s) if necessary).

- Support the above provisions
- Support the above provision with amendments
- Oppose the above provisions

MY SUBMISSION IS THAT

Tell us the reasons why you support or oppose or wish to have the specific provisions amended. (Please continue on separate sheet(s) if necessary).

I support the the intent of the proposed plan changes.
I support Dairy NZ's submission.

I do not support the use of overseer as the sole N modeling tool. (My personal experience with this as a modeling tool while being a participant in the Little Waipa Stream, ICM, Overseer had constantly changing goal posts and was impossible to comply with when quite unannounced it changed from a soil to a drainage model) Therefore if overseer is to be the tool of choice there must be flexibility in the plan to allow for change.

I do not support the process required to change land use. (i.e. from forestry to drystock or dairy. We were encouraged to plant pine trees by Government in the late 80's. Some of the land planted will be fine for dairy but to change the use back to dairy will require costly consents)
The costs associated with the plan should also fall on urban New Zealand. (One of the more polluted streams in our area drains the old timber mill sites in Putaruru. Why should we pay for that clean-up)

Most importantly:

Recognize the improvements already made under previous schemes like the Little Waipa ICM.(We have already made large stocking adjustments and should be able to use the report/s compiled by your own Ross Abercrombie in July 2008. It is completely unreasonable for us to start again in the 2014/15 season. My N and P use has changed dramatically since that time therefore we should be able to use data from 2006/7 season.)

I SEEK THE FOLLOWING DECISION BY COUNCIL

(Select as appropriate and continue on separate sheet(s) if necessary).

- Accept the above provision
- Accept the above provision with amendments as outlined
- Decline the above provision
- If not declined, then amend the above provision as outlined
